

AMWS COVID-19 Events Policy

- All events will comply with the applicable Massachusetts requirements, including the “[WORKPLACE SAFETY STANDARDS FOR INDOOR AND OUTDOOR EVENTS TO ADDRESS COVID-19](#)” (as of February 4, 2021¹). This policy is intended for informational purposes and is not intended to replace Massachusetts' government issued guidance/policy/requirement. If this policy is less strict than relevant Massachusetts requirements, the Massachusetts requirements shall be adhered to.
- Participants and instructors must wear face masks and maintain a distance of at least six feet from all other persons at all times.
- Participation will be limited; up to 10 people for indoor events and up to 25 people for outdoor events (including instructors).
- Whenever possible, participants should provide their own equipment to limit cross-contamination. Any shared equipment (augers, clipboards, etc.) must be sanitized between users. Hand sanitizer and wipes will be available as possible but participants should consider providing their own as well.
- Participants should provide their own food and water.
- Carpooling to and from events is discouraged.
- If a participant, any member of their household, or any person they have been in contact with in the last 14 days feels ill or displays any symptoms of COVID-19 prior to an event, they should not attend the event. They may contact the staff to receive a full refund of any registration fees.
- Should a participant test positive for COVID-19 within 2 weeks of attending an AMWS event, please consider contacting the staff so that we may let other attendees know of their potential risk of infection. Their personal identity and information will remain anonymous.

¹ This policy may be adjusted as new guidance is issued. Please visit [mass.gov](https://www.mass.gov) for the most recent guidance.
